Dear Examiner Baskar:

We have reviewed the draft and have made a few clerical revisions, and a couple revisions to make the language consistent throughout the amended claims. Attached is a revised version, as well as a redline version relative to the document you sent to me. If you have any concerns with any of the revisions, please give me a call and we can resolve it quickly.

ALSO, please note that we filed a first supplemental IDS on November 22, 2006, which listed seven US patent publications, three foreign patent publications, and 35 non-patent publications. We have not yet received an indication that this IDS has been considered. Can you include that with this Action as well?

Thank you very much!

Best regards,

Betsy Haanes (Reg. No. 42,613)
